

I am commenting on this issue because K-LOVE is very important to my community!  
As A mother of five it is not easy to turn on the  
radio and be 100% positive that your kids are hearing positive  
music and information. We don't have many stations like K-LOVE.  
As I travel through cities in Oklahoma K-LOVE comes in strong and I want to be  
sure that this continues to happen. I know that K-Love  
Helps MILLIONS of listeners on a daily basis. I know that I would be lost  
without K-LOVE and my children would probably pick up some of the other "bad  
habits" that come with listening to other stations. Please DO NOT take away my K-  
LOVE signal!!!!!! I have been an avid listener of this station for five years.  
This is the only station that I listen to!! Thank You
